

## Project Plan for the Get Set 2012

Name: BARRY MONROE

I have 4 Lessons of ICT each week  
My ICT lessons are 60 minutes long

Project Start Date 27th February  
Project Deadline 28TH April

Task No	Task	Sub-task	Time taken	Start date	End date	Class	Home	Notes
1	Project planning	Read the project brief	20mins	27th	27th	*		I found this section of the spb was easy to follow and managed it easily
		Create mind map	10mins	28th	28th	*		Slightly hard to figure out managed it in the end
		Create folders for my work	20mins	27th	27th	*		This took me only a short amount of time including the right amount of folders to split up work in an organised file structure
		Create project plan	20mins	27th	27th	*		This was easy to create and only took me a short time and all of these were completed in the amount of time shown

<b>6</b>	Medal							
		draw it in on free hand	35mins	8 <sup>th</sup>	8 <sup>th</sup>	*		This was easy with the template I think it looks really good and went well though it took less time that originally needed.
		annotate	10mins	8 <sup>th</sup>	8 <sup>th</sup>	*		The annotation for it was easy and took me no time at all.
		update						
	UPDATE PLAN***							
<b>7</b>	T-shirt							
		draw it in on free hand	1 hour	9 <sup>th</sup>	9 <sup>th</sup>	*		The design for the t-shirt was tricky and quite difficult but managed it in the end.
		annotate						The annotation was the easiest part I found to do this mainly because of the other task I had to annotate.
		update						
	UPDATE PLAN ***							
<b>8</b>	2d drawstring bag		1 hour	10 <sup>th</sup>	11 <sup>th</sup>	*		This was quite easy to produce and was quite fun doing it

Project Plan for the Get Set 2012
