

Feedback on Drawstring bag

Stef

I think that the drawstring bag is very good. Even though the bag is supposed to be white it makes the logo stand out more than with colour I thought and it makes the writing stand out. Overall I think that it is a very good bag.

Andy

It is a good drawstring bag overall. The colour scheme is a bit dull but the logo is of good standard. It portrays the picture of sports which is also good. Overall a good bag.
