

Group logos

Today I designed a logo for our company. The name we our group agreed on the name of the company it was: memories for life the strap line we chose was not just a night but a memory for life:

This is my logo that I designed for the company memories for life. I will now show the rest of my group's logos that they designed for the company:

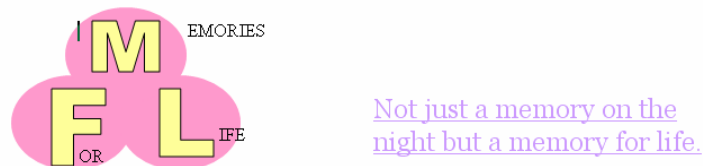

This is Ricky's logo:

This is Rich's logo:

This is Karen's logo:

These are our group logos for our company memories for life We have chosen Ricky's logo because it was chosen but the whole group to be the best.
