Interview 1

My class was set an assignment to start up an event to celebrate the 6th year class of 2006. Do you think disco is a good idea?

“No” Why do you not think it is a good idea? “Because you would get lots of drunk kids!”

Do you have any other reasons why it is a bad idea? “They are noisy late at night”. If the disco was held at local hotel would that stop the noise?

“Possibly” ok what do you think the disco should be called if it was to be held? “Funky Joes” what should the layout be. E.g. the decoration? “You need plenty of space for a large dance floor with chairs at the side”.

What do you think the food should be like snacks or hot food? “A mixture of both” one more question should I get a DJ or a live band to play at the disco if it is to be held? “DJ” ok thanks for your time.

“There should be a bit of both” One more question should I get a DJ or a live band to play at the disco if it is to be held? “I think there should be a DJ cause they are better than a live band and some people will not like the band that you have got” Thank you for your time.
