

**DiDa Research Log 3: Photos, Emails & Interviews**

What was I trying to find or find out?	Source I Got/Used	What did I find out or gain?
Photo of local attractions and areas.	Photos	I collect photos of some local attractions which were Vue Cinema, Bowlplex and a local playing field.
Information on a local paintball activity.	I emailed the Paintball company for information on young people.	They sent me some information in the post which showed that they offered activities for children 14+ in Schools or groups.
Information on what people think about the activities in Kingswood.	Interview with Josh B	I found out that Josh doesn't think there are many activities for kids in Kingswood and that he doesn't know of any or attends any. But does go out of his area to other activities such as bowling, cinema and laser quest. He also thinks that Kingswood is lacking an up-to-date shopping centre, cinema and bowling activities. If he was to start a new activity he would held a Scout workshop every week with videos, games and canoeing or climbing.
Information on what people think about the activities in Kingswood.	Interview with James T	I found out that James also doesn't think there are many activities for kids in Kingswood but does know of several sports and youth clubs and a scout group he attends. He does however also travels out of his area to things like The Mix and Bristol Voluntary Award. If he was to start a new activity he would held a volunteer seminar.
Information on what people think about the activities in Kingswood.	Interview with James S	I found out that James also doesn't think there are many activities for kids in Kingswood but does know of some places like Kingswood Leisure Centre and also Kingswood Foundation. He sometimes goes to the leisure centre but also goes outside Kingswood to places like Bowlplex. He would want like to create a Basketball club.
