

Welcome

Welcome to our new club and our packed newsletter. In this months newsletter we're hoping to introduce you to our new club, give you the opportunity to join.

First of all we're going to give you some background information into The Make Space campaign which has funded this club.

// Make Space is a dynamic campaign supported by the Nestlé Trust in partnership with 4Children. The campaign objective is to support the development of a network of contemporary clubs for young people aged 11-16 across England. Working with local clubs, schools, local authorities and national organisations, we listen to young people and work towards meeting their needs. // From www.makespace.org.uk

Our Staff

We have our own dedicated team of staff, who give up their free time, to help our members in any way they can.

Andy
Andy has worked in music for many years. And will help mostly in our Musical Activity.

Liz
Liz is our Administrator and looks after all our chilled out and non-musical activities.

Will
Will is a keen and motivated musician and well be helping our members with the Musical Activity.

Ben
Ben will be helping out with our musical activities. He will be specifically helping with writing music.
