

Musical Activities

Our main activity offered at Make Space Kingswood, is our Musical Activity. We offer various opportunities for everyone involving many types and genres of music.

No matter your ability to sing/play music, you can learn or help in our activities.

Here at Make Space Kingswood, you can learn many types of instruments, music and song writing skills as well as learning how to use Recording Studio software to create and edit your own music.

Why not come try us out and find out for yourself...

Our Resources

We are very lucky here at Make Space Kingswood, as we have our own recording studio, filled to the brim with Musical Equipment and Software.

We have a cupboard full of various instruments and we can also order and rent any instruments you wish. However you may wish to bring your own instruments.

We also have a room filled with the latest computers with the latest musical software, available for you to enjoy at any time.

Chill Out Activities

As well as offering Musical Activities, Liz will be running some small activities on the side for people that don't want to always be in our music rooms.

We have provided a chill-out space where our young people can relax, meet their friends and enjoy their leisure time in comfortable surroundings. They can listen to music, play games or just hang around with their mates plus we have our own tuck shop.

We will also have people coming in to talk about the different things affecting 11-16 year olds in Bristol. We will be offering advice, either confidential advice from one of our trained staff, or giving out details of support groups or further information about any personal relationships, social and health issues.

Club Jobs

For Our Young People:
We are looking for a small team of people to help produce this monthly newsletter, our club website and posters. Anyone could help out no matter what their IT skills. We are also looking for young people to help run the Tuck Shop, some of our smaller activities and generally help out around the club.

For Adults:
We are looking for voluntary parents for help running some of our activities or to generally help out at the club. For more information please see Liz at the club or email: kingswood@makespace.org
