

Feedback on my medal

Nicholas

- I like the way that the gold is around the edge of the medal
- I don't think you have to change anything on this

Sue

- I like that the logo is on the front of the medal and the way that there is gold around the edge
- Really like the fountain on the back
- I agree with Nicola that you don't have to change anything
- Very good

Daniel

- The diamond shape is different
- Like the gold text round the edge look good
- The image on the back is really good
- Could make it a bit bigger though

Rita

- Nice and plain not too in your face
- Works really well gold
- The diamond shape is nice looks really good on the circle
- Like the images on the back, nice and plain not too much detail
